The screenshot displays a search interface with a navigation bar at the top containing icons and labels for 'Time Vault', 'Rare Book Room', 'Video Library', and 'Lessons'. Below this is a search bar with three tabs: 'Articles In Timeline', 'Articles Grouped In Themes', and 'Search For Articles / Documents'. The main content area shows two search options: 'Lookup **keywords** in Journey Back In Time Archive' (with sub-items: Newspaper Articles, Illustrations, Photos, Maps, Historical Documents) and 'Lookup **historical words** in dictionaries' (with sub-items: 1913 Webster's Dictionary, Collaborative International Dictionary of English (CJ), Princeton University's Worldnet 1.5). Two red arrows point to these options. At the bottom, a search input field contains 'tyra' and a dropdown menu shows suggestions: Tyran, Tyranness, Tyrannic, Tyrannicidal, Tyrannicide, Tyrannish, Tyrannize, Tyrannous, Tyranny, Tyranny, Tyrant, and Tyrant.
